COMPANY HISTORY

HAPLAST
Green Packaging For Green Future
Đồng Hành Cùng Phát Triển

ABOUT US

We are dedicated to manufacturing and exporting Plastic Bags & Compostable Products for nearly 20 years. We achieved a leading position in packaging field in Vietnam with excellent quality products and services.

We have 2 Modern Factories located in An Thi, Hung Yen, Vietnam, meeting Japanese industrial standard (JIS), FDA standard of USA, BRC standard of Europe, BSCI (Business Social Compliance Initiative), SGS and qualified ISO 9001:2015. Haplast also received the OK Compost Home and OK Compost Industrial certificates from TUV, Belgium. In Jan 2022, we have reached over 54,000 tons/year for the 2 factories.

Our exporting activities have reached 80 Countries worldwide, and satisfied the most difficult markets, such as: Japan, EU, US, UK, Canada, Germany, Spain, Netherlands....
